Date,	To whom sent.	Notes instructions,

E.B. (II) P.W.D.

Submitted with refce. to G.L. No. 6250/36-E(II), dt. the 10-7-50.

2. The P.H.E. i/c recommends the creation of a Mech. and Stores Sub-Dn. at Dhumwad for the Karnatak Public Health Works Dn. On the basis of the Gangapur Storage Dn., which has 3 Sub-Dns. for mechanical operations, the P.H.E. proposes the following estabt. for the new Sub-Dn. and requests that it may be sanctioned upto the 28-2-53 :—

Sr. No.	Designation	Scale Rs.	No. of posts
1.	Dy. Engr.	220-15-400-EB-20-500-EB-25-650.	1
2.	Overseers (Mech.)	80-5-100-8-140-EB-10-220-EB-10-270.	4
3.	Overseers (Civil)	—do—	3
4.	El. Supervisor	100-12-208-12-460	1
5.	Sr. Accounts clerk	100-8-140-10-150	1
6.	Sr. Clerk	92-8-140	1
7.	Jr. Clerks	46-3-85-4-105	4
8.	Storekeeper	70-5-100-8-140-10-150	1
9.	Asst. Storekeeper	46-3-85-4-105.	1
10.	Transport Supdt.	— do	1
11.	Time keepers	—do—	2
12.	Fitters	55-3-85-4-105	4
13.	Mechanics	60-4-100-4-120	2
14.	Inferior estabt.	30-1/2-35.	6

The ———

The comparison between the estabt. sanctioned for the Sub-Dns. under the Gangapur & Storage Dn. and that required for the new Sub-Dn. is shown in para 2 of the P.H.E's letter dt. the 11-8-50.

3. The P.H.E. also requests for the following additional estabt. for the office of the Ex. Engr., Karvatak P.H. Works Dn. in order to enable that office to cope up with the corresponding general increase in work arising out of the proposed Sub-Dn. :—

Sr. No.	Designation	Scale Rs.	No. of posts.
1.	P.A.	220-15-400-EB-20-500-EB-25-650	1
2.	Overseers	80-5-100-8-140-EB-10-220-EB-10-270	2
3.	Sr. Clerk.	92-8-140	1
4.	Jr. Clerks	46-3-85-4-105	2

4. The necessity of the Sub-Dn. has been explained in the note accompanying the P.H.E's letter No. S.W. 3. 37/5322, dt. the 13-5-50. It is for consideration whether the Sub-Dn. together with the estabt. ~~at~~ asked for, may be sanctioned for 1 year in the first instance. The pps. may be shown no. to the F.D.

Dio. EB. (I) & AB. (II)

OB
23/8/50

PRO
23-8-50.

5. The cost is debitable to the head "39- P.H.". The annual averge cost on accou of creation of a Mechanical and Stores Sub- Dn. with head- quarters at Dharwad for the Karnatak Public Health Works Dn. and also additional Estabt. regd. for the office of the Ex- Engr., Karnatak Public Health Works Dn., Dharwar comes to Rs. 56,300 approx (exclusive of allees).

A/ In view of the recent orders issued in GR., F.D. No. 8202/33, dt. 10-8-50, no expdr. on new services can be authorised in anticipation of LA's approval. As such, the pps. may be regs. u/o to the F.D. If the F.D. agrees to the proposal and the pps. are recd. back in time, the necy. Supply demand statement will be forwarded to that Deptt. for being placed before the ensuing session of the Bombay Legislature Otherwise this will have to be proposed as a new item for the year 1951-52. That Deptt. is, therefore, requested to treat the case as "Very Urgent."

FINANCE DEPARTMENT
File No. PWF I
Date 7-9-50
Serial 4 38985

Finance Department (P.W.R.I).

Please see the staff proposed for the Mechanical and Stores Sub-Division, proposed to be opened at Dhomwad for the Karnatak Public Health Works Divn., at p.1 ante and that proposed for the office of the Ex. Engr. Karnatak P.H.Work Divn. at p.2 ante.

2. The following remarks are offered on these proposals:

It is stated that the staff at Dhomwad is proposed on the basis of the staff sanctioned for the Gangapur Storage Divn. However, it is not clear why the posts of store-keeper, Asstt.Store-keeper and Time-keeper are necy. for this Divn. when similar posts were not sanctioned for Gangapur. P.W.D. may elucidate. Again, in the absence of adequate justification it is not possible to consider the above proposals in this Deptt. Proposals for addl. staff are now to be scrutinised with jealousy in view of the retrenchment policy and financial stringency.

P.W.D. may, therefore, be requested to give full justification for the staff proposed supporting it by facts and figures, if any.

3 plse see para 5 of the P.W.D. note at page 3 ante. It is not possible to evaluate the proposal is not-yet-ripe to supplementary demand as the proposal is not-yet-ripe. The P.W.D. may therefore postpone the proposal for being included as a may item for the 1951-52 budget. The new item of work will have to be settled in the light of information examination of the information collected as above.

4. Papers may be returned to the P.W.D. with these remarks.

Submitted with reference to this Deptt note dated 26.9.50 at p-5 ante.

2. The P.W.D has now proposed that the skeleton staff detailed in para 2 of the foregoing P.W.D note should be sanctioned with immediate effect so as to start preliminary work for the Nichl. Sub-div. proposed to be opened for the Karnataka P.H. Works division. The justification for the entire staff for the sub-div. is given in the P.W.E.'s lr dt. 19.10.50 at p-9-13/C. In the circumstances stated this deptt. may perhaps agree to the sanction of the proposed skeleton staff in the first instance. The cost involved is the proposal works out to Rs. 17,820/- per annum. This staff may be sanctioned for a period of six months in the first instance. As the cost is substantial & the proposal is stated to be urgent

it will have to be sanctioned in anticipation of the L.A's approval. These pps. may therefore be submitted to the E.P.C. for its approval.

M 3. Before the papers are submitted 1.11.50. to the E.P.C, the P.W.D. may be requested to state as to how it proposes to meet the extra cost during the current year in view of the Secy. F.D's D.O. No. 37/33-F of 28-10-50

2. With ref. to para 3 of the above mentioned note, the P.W.D. states that the expdre of Rs 5,820 involved in the proposal for the rest of the current year can be met from the anticipated savings of Rs 7,855 under "39 P.H. - F. P.W.R & D.D." The annual expdre. involved in the proposal works out to Rs 17,820 p.a.

Since the expdre. is to be incurred in anticipation of L.A's sanction, the pp. may be circulated to E.P.C.

RAB 2/12 — D.S. (B) 6/12 — Secy. 8/12

Secy. What is the amount proposed to be provided for this purpose in the 1959-60 budget?

6/12

Resubmitted w.r. to the Secy's query above.

It is informally ascertained from the P.W.D. that this is a new Mechanical and Stores Sub-Dn. proposed to be opened during the current year and as such no provision on this account has been proposed by that Deptt. for inclusion in the next year's budget, for want of Govt. orders sanctioning it. If the opening of this new sub-Division is sanctioned during the current year, a provision of Rs. 22,800/ (approximately) for the next year, will have to made in the next years budget.

The Secretary to Government,
Public Works Department, Bombay.

Subject :- Neersagar Water Supply Scheme.
Creation of Mechanical and Stores Sub-Division.

Reference - Government letter, Public Works Department No. 6250/3(
-B(1) dated the 10th July 1950.

2. The Gangapur Storage Division, Nasik has been sanctioned a unit of three sub-divisions for Mechanical operations viz.

(i) Mechanical Sub-Division.
(ii) Plant Engineers sub-division.
(iii) Stores and Transport sub-division.

But looking to the magnitude and the nature of work of the Neersagar Water Supply Scheme, I consider it sufficient, at this stage to create only one Mechanical and Stores Sub-Division with headquarters at Dhumwad for the Karnatak Public Health Works Division, Dharwar. The establishment sanctioned for the above three sub-divisions and the establishment required for the new sub-division are as under in the form of a Statement. The establishment asked for the Mechanical Sub-Division at Dhumwad may kindly be sanctioned upto 29th February 1953 in the first instant.

esignation.	Scale of Pay	Mechanical staff at Gangapur: Mechani-cal sub-Division.	Plant Engineers sub-dn.	Stores & Transport sub-dn.	Proposed establishment for Mechanical & Stores Sub-Divn. at Dhumwa

In additional to this, the following additional establishment for the office of the Executive Engineer, Karnatak Public Health Works Division, Dharwar, under whom the sub-division is proposed to be placed, is required in order to enable that officer to cope up with the corresponding general increase in work arising out of this subdivision by way of correspondence accounts, stores, labour payments, contract documents etc.

1. 1 Personal Assistant - 220-15-400-E.B.-20-500-E.B.-25-650.
2. 2 Overseers. - 80-5-100-8-140-E.B.-10-220-E.B.-10-270.
3. 1 Senior Clerk. - 92-8-140.
4. 2 Junior Clerks. - 46-3-85-4-105

As the works are to be carried out departmentally the work of the Divisional Office will be very heavy. In addition to this, Public HealthSchemes in the Karnatak region are also being looked after bythis Division. The Executive Engineer, therefore, have very little time at his disposal to attend to the office work. Therefore it will be impracticable for the Executive Engineer to manage smoothly both office and outdoor work, without a Personal Assistant. This will also enable the Executive Engineer to devote as much time as possible to technical questions. The post of Personal Assistant,therefore, may kindly be sanctioned.

Additional funds required for the proposed sub-division will be applied for early in February 1951. In the meantime I may be authorised to incur the expenditure on the following items in advance so that the execution as well as office work may not be handicapped after the sub-division is sanctioned.

(1) Contingencies - non contract contingencies - Rs. 7,000/-

(2) Tools and Plant for purchase of Scientific and Mathematical instruments only. - Rs. 3,000/-

9

IMMEDIATE. No.K.S.D.33/12037 of 1950.

Poona 1, 19th October 1950.

To

The Secretary to Government,
Public Works Department, Bombay.

Subject :- Neersagar Water Supply Scheme.
Creation of a Mechanical and
Stores Sub-Division.

Reference - Government letter, Public Works Department No.3082/48-E(II) dated the 4th October 1950.

2. The justification of the staff for the sub-divisional office and the divisional office is given below :-

Sub-Divisional Office :-

(i) Mechanical Overseer :- Four overseers are essential to supervise the operation of all the machinery such as Earth Moving, tractors, bull-dozers, Graders etc., one of whom will be absorbed wholly in the workshop for repairs to the machines out of order.

(ii) Civil Overseers :- Three overseers will benecessary to supervise the civil side of works of dam and also to deal with the construction materials such as sand, stones, metal, khandkis, headers, timber etc. of the Mechanical and Stores sub-division and effect proper operation of transport section of the mechanical sub-division. There are only 6 overseers attached to Neersagar Headworks sub-division which will carry out the main civil engineering work and this No. is not considered sufficient when the work is to be done departmentally.

(iii) Electrical Supervisor :- One electrical supervisor is necessary to look to electrical side of the operations as in the case of the Gangapur Storage Division. His work will cover a wide field like laying transmission lines, electrification of quarters, flood lighting an earth work at site of Dam and dewatering by electric drive pump etc.

(iv) Senior Accounts Clerk :- One Senior Accounts Clerk will be absolutely necessary as this sub-division, will be very heavy and correct compilation of operation, manufacturing and material transaction accounts will be necessary as in the case of the Gangapur Storage Division. A Senior Accounts Clerk has been sanctioned for the Stores and Transport sub-division of the Gangapur Storage Division also.

(v) Senior Clerk :- One Senior Clerk will be necessary to prepare bills of workcharged establishment and to scrutinize N.M.Rolls before payment of daily labour and payment of bills regarding collection of materials such as spare parts, fuel for machineries,petrol etc. for transport and construction materials etc.

(vi) Junior Clerks :- Four Junior Clerks are necessary one of these will be for workshop to deal with workshop accounts and the other three will be for other routine work of the sub-division as in the case of a regular sub-division.

(vii) One Store-keeper and One Assistant Store-keeper :- A separate sub-division with one Deputy Engineer and four Clerks is created in the Gangapur Storage Division, exclusively for stores and transport against which the establishment as proposed is necessary for this sub-division as large quantities of different materials will have to be collected and in order to have proper accounts of issues and receipts and placing orders for materials these posts are essential.

(viii)Transport Superintendent :- As in the case of the Gangapur Storage Division, this post is necessary to control the movements of vehicles and guard against misuse of the vehicles. He will also keep

accounts of timings and movements of vehicles and fuel consumed etc. for purposes of log accounts and petrol accounts.

(ix) Two Time-Keepers :- Under the present system of working, the Karkund under the supervision of overseers arrange to get labour, mark the attendance on N.M.Rolls and also control the labour on works. This arrangement is likely to result in marking of incorrect attendance of labour and thereby involve incorrect accounting . Such omission is a possibility in the case of execution of big work through departmental labour and with a view to guarding against such misappropriation of funds it is imperative to employ independent separate time keepers to mark the attendance of labour brought by the karkuns. These time-keepers will also mark attendance of workcharged staff employed and timings and plant hours worked by various machineries. Though these posts are not sanctioned for the Gangapur Storage Division, they are necessary for this division in view of what is stated above.

(x) Two Mechanics and Four Fitters :- for machine operations.

(xi) Peons and Chowkidars :- Peons have been proposed as in the case of regular sub-division and 3 Chowkidars for guarding the office and stores premises at night.

Divisional Office :-

(xii) One Personal Assistant to the Executive Engineer with two additional overseers :- This is very heavy construction division and the necessity of a Personal Assistant need not be emphasized on that as almost all the heavy divisions of the State have been given Personal Assistants. The Executive Engineer will have very little time at his disposal to attend to the office work as outdoor work will absorb most of his time and the assistance of a Personal Assistant is necessary to manage the routine work of the divisional office efficiently.

As in the case of the Gangapur Storage Division, in order to leave the Sub-Divisional Officer free for field work, it is intended to centralise all planning and estimating work in division. A good deal of detailing has to be done and working drawings and estimates for different component parts to be sanctioned by competent authorities. The execution of the work by machinery will be so fast that a good strength in the design branch is essential to keep pace with the speed. To aid the Personal Assistant in this work two additional overseers will be necessary.

(xiii) Clerks :- In all three clerks are proposed of which one will be for correspondence branch of the divisional office to cope up with the increased work on account of the creation of the Mechanical and Stores Sub-Division. The other two will be attached to the accounts branch one being entirely for audit of the accounts of the Mechanical and Stores sub-division, and preparation of adjustment items statements for distribution of cost by various sub-heads of the different estimates in proportion to plant hours worked in different sub-heads by different machineires. The other clerk of the accounts branch will be required to audit log accounts of various machineries and materials at site accounts and stores accounts which will be very large and will be a peculier feature of the scheme as in the case of the Gangapur Storage Division.

3. The annual extra cost on account of the mechanical and stores sub-division and additional staff for divisional office is approximately Rs.60,000/-. With this extra expenditure, the annual cost of establishment employed on the Neersagar water supply scheme alone would amount to Rs.2,03,000/- as detailed below, which is about 6.8 per cent of annual work expenditure of the scheme, the annual works expenditure to be incurred being not less than Rs.30,00,000. The percentage of 6.8 out of the project provision of 24% may be considered low.

Cost of establishment already sanctioned for the division in budget estimates for 1950-51 ... ... Rs. 1,93,700/-

(i) Deduct Establishment for Karnatak Sanitary Project Sub-Division which deals with work other than Neersagar water supply scheme. Rs. 36,221/-

(ii) Deduct element of divisional office staff for Karnatak Sanitary Project Sub-Division.

One Clerk - Rs.1,200/-
Other staff -Rs.1,000/-
Rs.2,200/-

(iii) Deduct part cost of establishment of Hubli Sanitary Sub-Division doing partly Neersagar Water Supply Scheme and partly deposit contribution works & other - survey works. -.-- Rs.12,100/-

Total deduction --- Rs.50,521/- - 50,521/-

Existing establishment debitable to Neersagar Scheme. 1,43,179/-

Add

Cost of proposed establishment for Mechanical & Stores sub-division and divisional office. ... ... Rs. 60,000/-

Total Rs. 2,03,179/-

or say Rs. 2,03,000/-

4. The staff required as proposed above is considered to be quite essential at the initial stage of mechanical execution of the work. The strength proposed is quite reasonable since it is much less than that of the Gangapur Storage Division as will be seen from a comparative statement given in this office under No.K.S.D.33/9070, dated 11-8-1950 and that of this division.

5. The two Deputy Engineers who have been deputed for training to the Gangapur Storage Division vide correspondence resting with Government letter, Public Works Department No.6250/36-E(1) dated 26-7-1950 will complete their training period by the end of this month. I,therefore, request you please to move Government to accord sanction to the opening of the proposed new Mehhanical and Stores sub-division and sanction to the following skeleton staff immediately so that the Deputy Engineer, who is intended to be placed in charge of the sub-division can immediately on completion of his training, be asked to open the sub-division from 1st November 1950, with a view to making preliminary arrangements for commencement of the work.

(1) One Deputy Engineer.
(2) Four Overseers - 2 Civil and 2 Mechanical.
(3) One Assistant Store-Keeper.
(4) One Transport Superintendent.
(5) One Senior Clerk.
(6) Three Junior Clerks.
(7) 4 peons and Chowkidars.

Sanction to the rest of the staff may be accorded in due course.

D.A.Nil.

IMMEDIATE. No.KSD.33/ of 1950.

Poona:dated: :Oct. 1950.

To

The Secretary to Government,
Public Works Department, Bombay 1.

Subject:-Hoersagar W.S. - Creation of the Mechanical and Stores Sub Divn.

Reference: My letter No.KSD.33/12037 of the 19th October 1950.

Shri P.L.Zope, B.Sc.,B.E. who has been earmarked to assume charge of the proposed Mech. and Stores Sub Divn. at Dharwar is reverting to this Circle on the 7th November 1950 after completing the necessary training at the Gangapur Storage Dam Works (Nasik). If the Government sanction to the proposal of creating a Mechanical and Stores Sub Division is likely to take some time, I request to post Shri P.L.Zope, as Deputy Engineer (Mech) attached to the office of the Executive Engineer, Karnatak Public Health Works Division, Dharwar to prepare all preliminaries for opening of the Mech. Sub Division in due course. This would not cause any dislocation in the existing disposition of Deputy Engineers in this Circle for a short period.

I trust Government would accede to this proposal and sanction the post of a Deputy Engineer (Mech) attached to the office of the Executive Engineer, Karnatak Public Health Works Division, Dharwar as a temporary measure, during the interim period, to accommo-date Shri Zope, Deputy Engineer, under training. I request Government to issue immediate order in the matter.

D.O.No. 12384 of 1950,
Office of the Public Health Engineer
to Government,
Poona 1, 29th Octbr. 1950.

Dear Joglekar,

Sub:- Neersagar Water Supply Scheme -
Creation of a Mechanical and
Stores Sub-Division.

I invite a reference to my letter No. K.S.D.33/ 12037, dated the 19th October 1950, detailing proposal for the creation of the above named Sub-Division, with immediate effect at least with the skeleton staff, if not with the whole unit, as the Deputy Engineer who has been earmarked for the Sub-Division is expected to complete the necessary training at the Gangapur Dam,Nasik, and to rever to this Circle by the 7th November 1950. If, however, the proposal is likely to take time for being finalised, I suggest, as a temporary measure, that the said Deputy Engineer be posted attached to the office of the Executive Engineer, Karnatak Public Health Works Divn., Dharwar, to prepare and arrange opening of the Mechanical and Stores Sub-Division, pending receipt of Government orders. It is not desirable to dislocate the existing disposition of Deputy Engineers in this Circle to accommodate the above Deputy Engineer for a short period.

2. I am accordingly submitting a proposal for above and hope Government will accord sanction early. My official proposal is attached for further disposal.

Yours Sincerely
Bhawa.

D.A. One.

To
Shri K.V.Joglekar,B.E.,
Deputy Secretary to Govt.,
Public Works Department,
Bombay 1.

Pl let me know so as what is happening to my case at once

Subject :- Creation of the Mechanical and Stores Sub-Division for Neersagar Water Supply Scheme.

Reference - This office letter No.KSD/12383, dated the 29th October 1950.

2. Government may please be moved to grant approval to my proposal contained in para 2 of my above reference at a very early date, as the activities on the Mechanical side of the construction of Neersagar water supply scheme have increased considerably and the civil engineer who is carrying out these duties has finds it very difficult to carry them out without detriment to his own work. Besides necessary preliminaries such as creation of workshops equipment, generating sets, etc. will have to be made before the earth moving machinery arrives on site. I have, therefore, to request that creation of the post of a Deputy Engineer (Mechanical) attached to the Karnatak Public Health Works Division, Dharwar, as a temporary measure to handle these works may please be granted early.

3. Early orders are requested
